長期照護概論試題

注 意	1.請用中文或英文作答。 2.請標明題號依序於答案卷上作答。
-----	-----------------------------------

The following are several sets of description/ situation/ preface/ question where they are some niches in the field of Long-Term Care. Based on your specific knowledge, skill, or experience, **please respond to either five questions in English or in Chinese/ Mandarin as best as you can. If you respond to all 6 question sets, we will only choose the better 5 of them.**

1. If you are planning a health promotion intervention to help 20 residents exercise more in a senior day care center. Which health behavior theories/concepts do you find most helpful for guiding your intervention? Please describe the context of your answer and explain why.
2. What is the “Long-Term Care Administration Center” in Taiwan ? Try to delineate it and discuss its significance or value ?
3. There are many roles in the current health care delivery systems in Taiwan, i.e. superintendent, chiefs of hospital departments or divisions, clinical physicians, nursing personnel, therapists, and social workers...etc.. Which role in the hospital is not usually belonged to the main/core member of the Long-Term Care Team if this hospital also have the mission or commitment to the Long-Term Care service delivery ? Why ?
4. What is “Residential care”, “Institutionalized care” or “Care in the facility” ? Try to discuss them just based on your experience ?
5. The majority of the disabled elderly in Taiwan are currently depending on their family members for providing care. Please respond to the following questions: the profile of family caregivers in Taiwan, their needs, the current policies on family caregivers, and the renovations you may recommend for the future policies.

6. Our government has just announced its plan to install a Long-Term Care Insurance in the year of 2011. Please comment on the plan on the following grounds:
 - (a). Public supports for the plan,
 - (b). The capacities of service sectors in providing services,
 - (c). The financial aspect of the insurance.
